Sir:

I, Gary Parsons, hereby declare that I am the inventor of the SATELLITE DIGITAL AUDIO RADIO RECEIVER WITH INSTANT REPLAY CAPABILITY disclosed and claimed in the above-identified patent application.

I commenced work on this invention and certain related inventions during November and December of 1998 and completed the invention in January 1999. In response to a request by XM Satellite Radio Inc., the assignee of the above mentioned patent, I reduced my invention to a writing, a copy of which is appended hereto, on March 5, 1999. Accordingly, I confirm that this invention was conceived by me on or before February 1, 1999.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
